**Report of Exclusion Requests – Publicly Filed Version**

includes submissions received thru June 27, 2013

The following report includes exclusion requests received by the Class Administrator through June 27, 2013. At the direction of settlement counsel, Epiq is contacting merchants by telephone who submitted incomplete requests. A status of “cured” indicates that missing information has been provided. The publicly filed version of this report omits mailing addresses and Tax Identification Numbers. A complete version is to be filed under seal. As additional exclusion requests are received and additional information is provided by merchants, further updates to this report are anticipated.
